COLONIAL HOTEL

06/12/13

To Whom It May Concern:

We have used Continental Stone on many occasions, most recently at the renovation of our new Inn in Sterling, MA. We have always dealt with Manny directly, and he has done an excellent job for us over the course of the last six years. He has done work at both the Colonial Hotel and the Chocksett Inn, and we have always been very pleased both with his pricing and his product. His employees are always very easy to deal with and do a great job. They arrive in a timely manner looking professional and prepared, and they have been a pleasure to work with.

We intend to use Continental Stone for all of our granite needs in the future, and we would recommend him to anyone needing his services.

Please do not hesitate to contact me if you have any questions or concerns.

Thank You,

Nicole Moorshead
